TO HAVE CHARGE OF STATE WORK

Mrs. Nora Cate of Paw Paw Is to Assume Wider Field of Work in Hawkeye State.

Mrs. Nora Cate, deputy grand commander of the L. O. T. M. M. for the state of Michigan, left last Thursday for Iowa where she will enter upon her duties which she has assumed for the lodge in that state. Her work consists mostly in class work, organizing new lodges and rebuilding old ones. Her headquarters will undoubtedly be in Des Moines, although that point has not as yet been determined.

Mrs. Cate has been a member of Paw Paw lodge No. 418 for nearly 20 years and is one of its most valued members. She has a wide acquaintance through the state on account of her large territory and will be greatly missed by members of the fraternity.

Last Monday evening occurred a regular meeting of the order and after the business had been disposed of a general good time was indulged in. Regrets at her departure were tempered with good wishes for her future success, and the lady leaves this place feeling that she has many friends.

Mr. Cate will follow as soon as he can make arrangements; he will put their household goods in storage and otherwise make plans on a year's absence at least.

SELECTION OF FARM EXPERT A WISE ONE

Hon. Jason Woodman Is Chosen for Responsible Position in Kalamazoo County.

Jason Woodman of Paw Paw has been appointed farm expert of the county and he will take up his duties in this city immediately. As a farm man of wide experience and one well posted on farm matters he will be of great assistance to Kalamazoo county farmers. The position was secured through the efforts of the Commercial club, and while his activities have not been outlined as yet, the plans will be made soon for the start of the work.—Kalamazoo Gazette.

Mr. Woodman is one of the very best men in the state that could have been procured for this important work, and the people of our sister county on the east are to be congratulated upon being able to close a deal for his services.

WE WANT YOUR HELP.

The W. R. C. will hold a rummage sale within the next few weeks. The time has not as yet been determined upon but it will be soon. Any contributions from friends will be greatly appreciated by them. Good wearing apparel that will be serviceable to those who may buy it, that can be spared from the family wardrobe will be thank fully received.

The proceeds of the sale will go to help buy the necessary articles for the new hall. If you have anything to give to this cause, please notify Mrs. Libbe or Mrs. Martha Smith.

Card of Thanks.

We wish to thank the friends and neighbors for the many kindnesses shown us during the sickness and death of husband and father. Especially do we appreciate the beautiful floral offerings from the G. A. R., W. R. C. and other friends.

And Families.

Wm. Hoskins of Houghton has purchased the home farm of Mrs. Henry Holt 3 1/2 miles east of town and will move his family here for their future home.

Improved Capstan.

A capstan is built into a new block and tackle with which one man can handle loads of one thousand pounds and two men, loads of four thousand pounds.

AMONG THE CHURCHES

Baptist.

Sermon themes, Sunday morning, "Ready For Service." Evening "The Unseen, or That That Lies Beyond." C. E. Prayer meeting at 6 p. m. Topic, "Common Mistakes." Leader, Miss Noble.

The pastor is securing lanterns and slides which will be used as a prelude to the services during the special meetings to begin the first Sunday in December.

The Ladies Aid Society of the church will serve one of their splendid suppers on Thursday evening of next week, the 21st, in the church parlors. Everyone invited.

THE TIE THAT BINDS.

George W. Mathews of South Haven one of the county board of canvassers now in session, was a pleasant caller at this office this week. Mr. Mathews was a resident of Paw Paw nearly thirty years ago and served the people as postmaster when the mail was distributed in the building on the corner of Niles and Main street. He has also been in the newspaper business and says that he always makes it a point to call upon the editor as he has never lost interest in the press. The True Northerner is always glad to greet ex-newspaper men as there is a tie that binds.

DEMANDED RECOUNT.

The close vote in Van Buren county for representative in the state legislature was sufficient reason for Fred L. Simpson, candidate on the democratic ticket, demanding a recount. The request was granted, but up to the hour of going to press the board of canvassers had not completed their work, so we are unable to give our readers the result of the recount.

FOURTH DISTRICT CONVENTION

The Fourth District W. C. T. U. convention will be held in the M. E. church of Paw Paw, Thursday and Friday, November 21 and 22. The fourth district comprises Van Buren, Cass, St. Joseph, Kalamazoo and Berrien counties. Mrs. E. L. Jenkins of Battle Creek, the state president, will preside.

Rev. Olivia Woodman and Rev. Mecca M. Varney will give addresses on Thursday evening. Glenn E. Warner will welcome the visitors as a representative of the village. Mr. Luther for the churches, Mrs. Clara Towers for the Coterie club, Prof. Robertson for the schools and Mrs. Allie Hewson for the local union.

Friday evening there will be a gold medal contest participated in by six or more contestants. These young people are all winners of silver medals and will have something of interest to offer. There will be an admittance fee of 10 cents for this entertainment, which promises to be worth many times the price. The delegates will be entertained in the homes here and their visit will undoubtedly prove a pleasant one.
